Tank top for a Phicen male

Use the softened fabric of an old T-shirt.

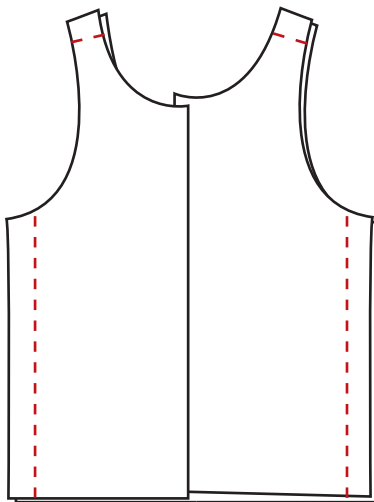

Iron the fabric and cut all the pattern pieces.

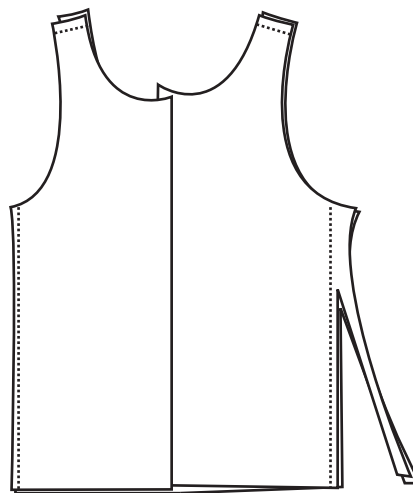

If you want a print, you can draw an image or find something on the Internet and print it on an iron-on transfer paper. Then iron the print on the front piece of the tank top.

Sew these seams:

Cut away the extra seam allowances:

Turn around:

Sew velcro on the back or use double-sided tape:
